

“If Guilt and Shame were motivational.... we would all be healthier.”

Scott “Q” Marcus
THINSpirational Speaker and Recovering Perfectionist

Scott “Q” Marcus is not only a dynamic and humorous weight loss expert, but is also a highly-acclaimed author and consultant. His programs have been described as “a cross between *Nutrition 101*, *Group Therapy*, and a *Southern Revival*.”

Having lost and gained 2,327 pounds in his lifetime (if you add up all the weight he has lost and gained since childhood), Scott understands that “*slower is quicker than never*.” After experiencing chest pains, backaches, financial ruin, and a failing marriage, he decided to take control of his life - one more time - and lost 70 pounds over the next 364 days, which he has maintained (most of the time) over two decades.

Scott “Q” Marcus “THINSpirational Motivator”

Scott is an expert in weight loss and habit change and has worked with thousands of people to reach their own wellness goals based on changing their thoughts, feelings and beliefs about what they truly are capable of accomplishing.

His programs are fun, funny, interactive, inspiring - and most importantly - **THEY GET IMMEDIATE RESULTS**. Scott’s extensive marketing background and uniquely developed concepts, *Think 1st* and the *I Promise Card*, will increase attendance and **create a positive, more productive change at your next event**.
